Mrs. Mary Luma

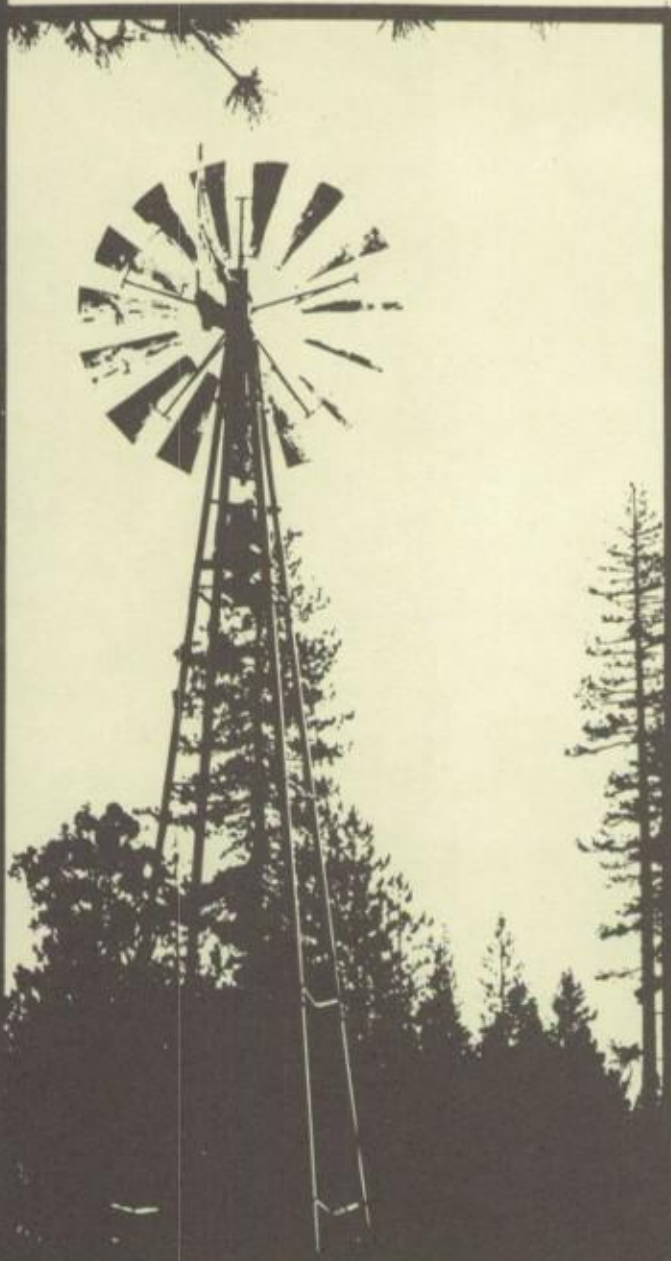

1973-74

DELPHIC ECHOES

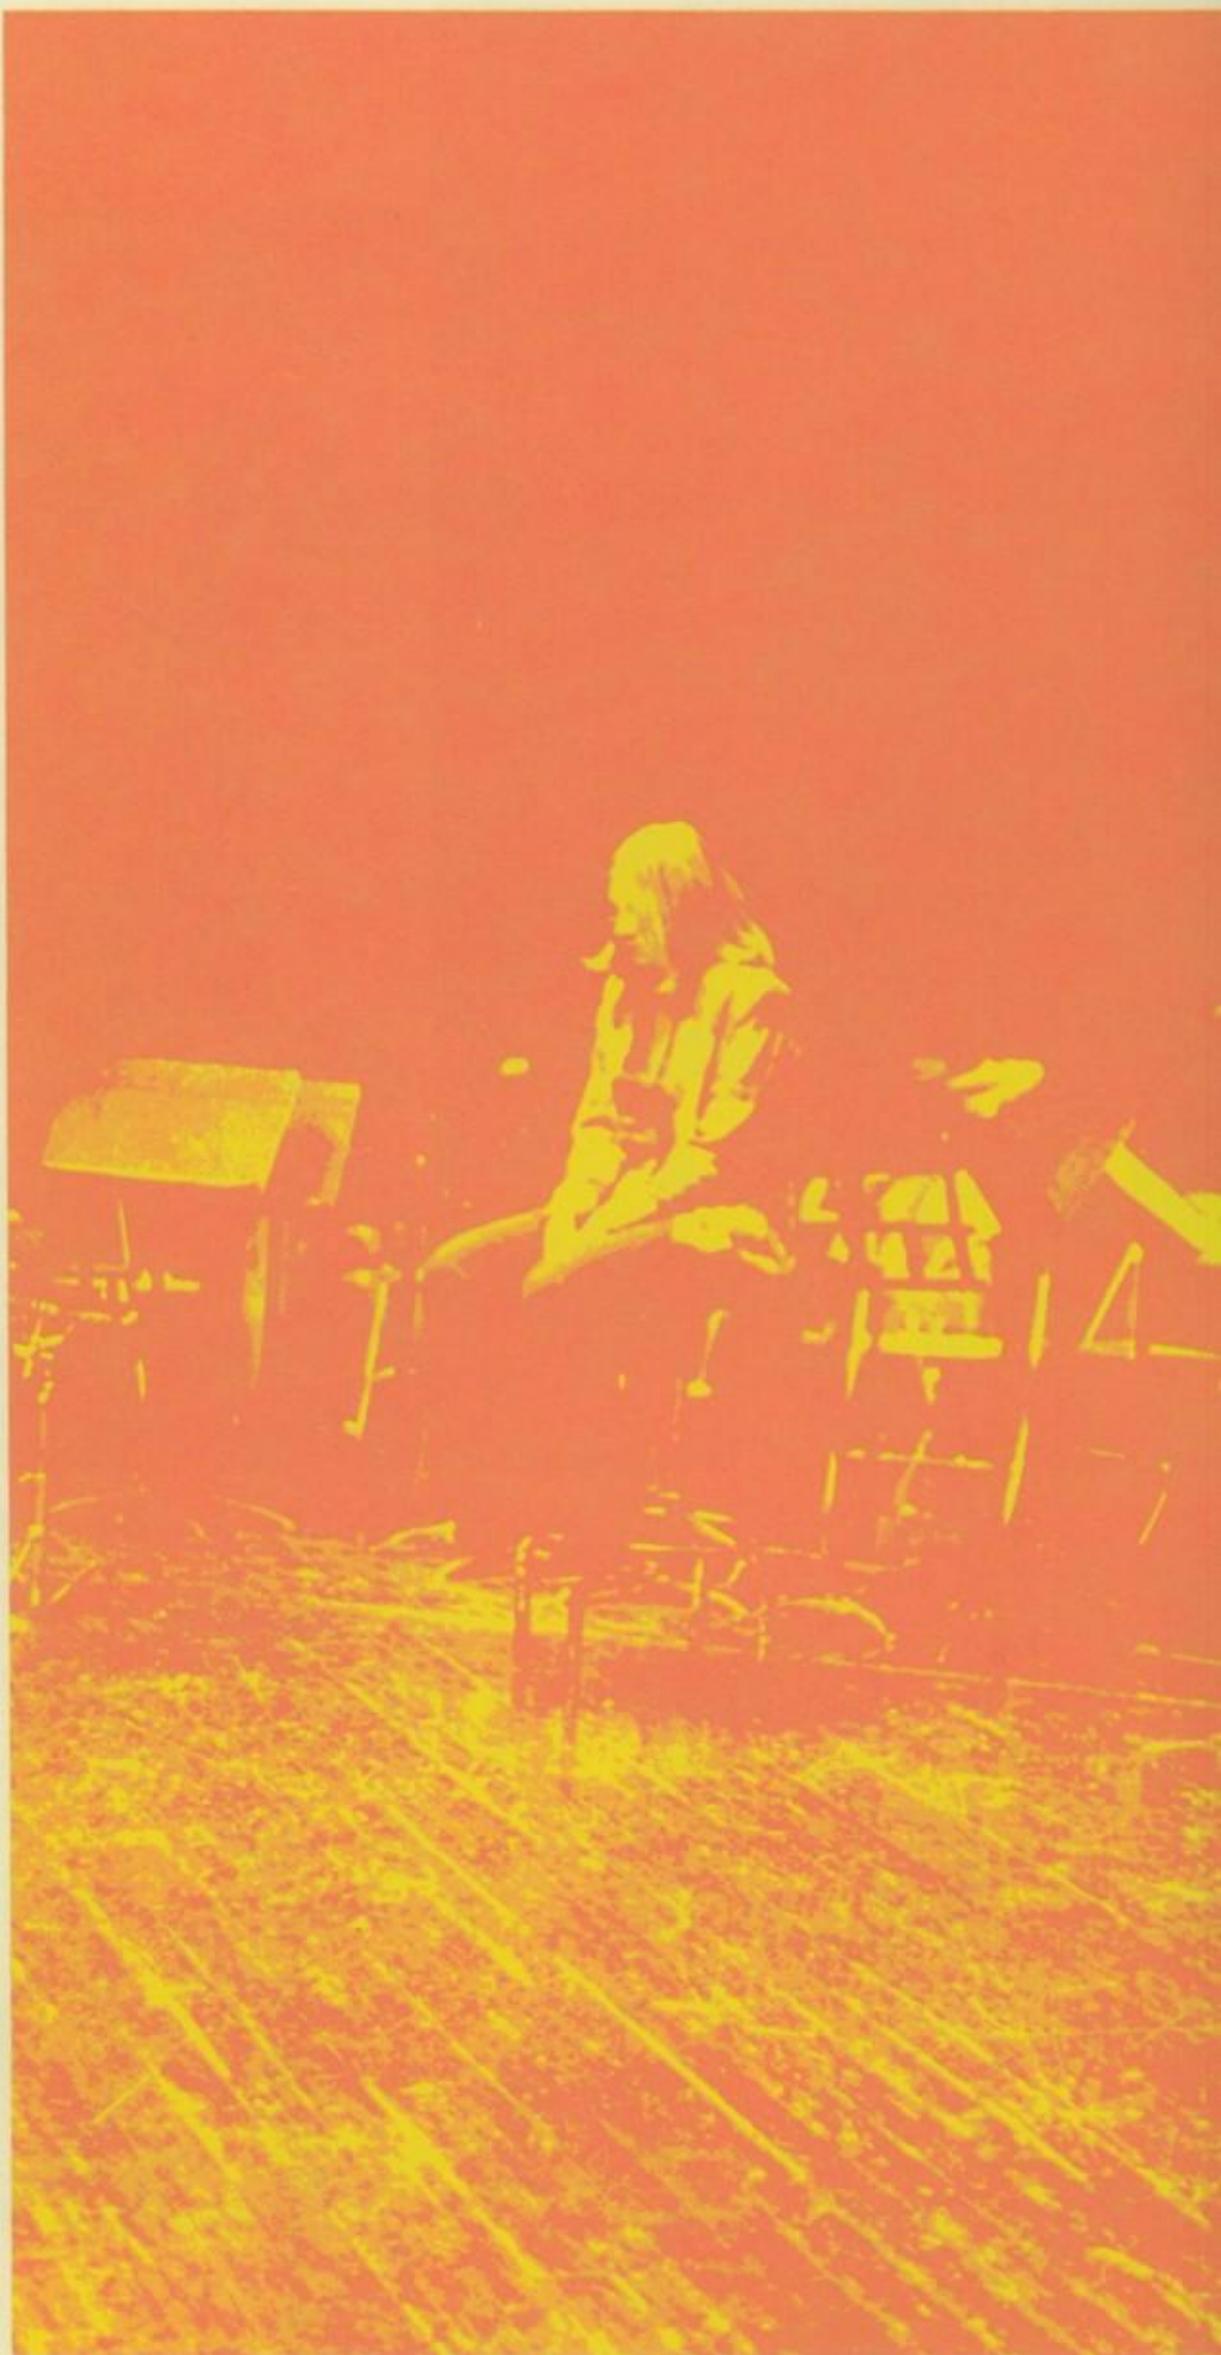

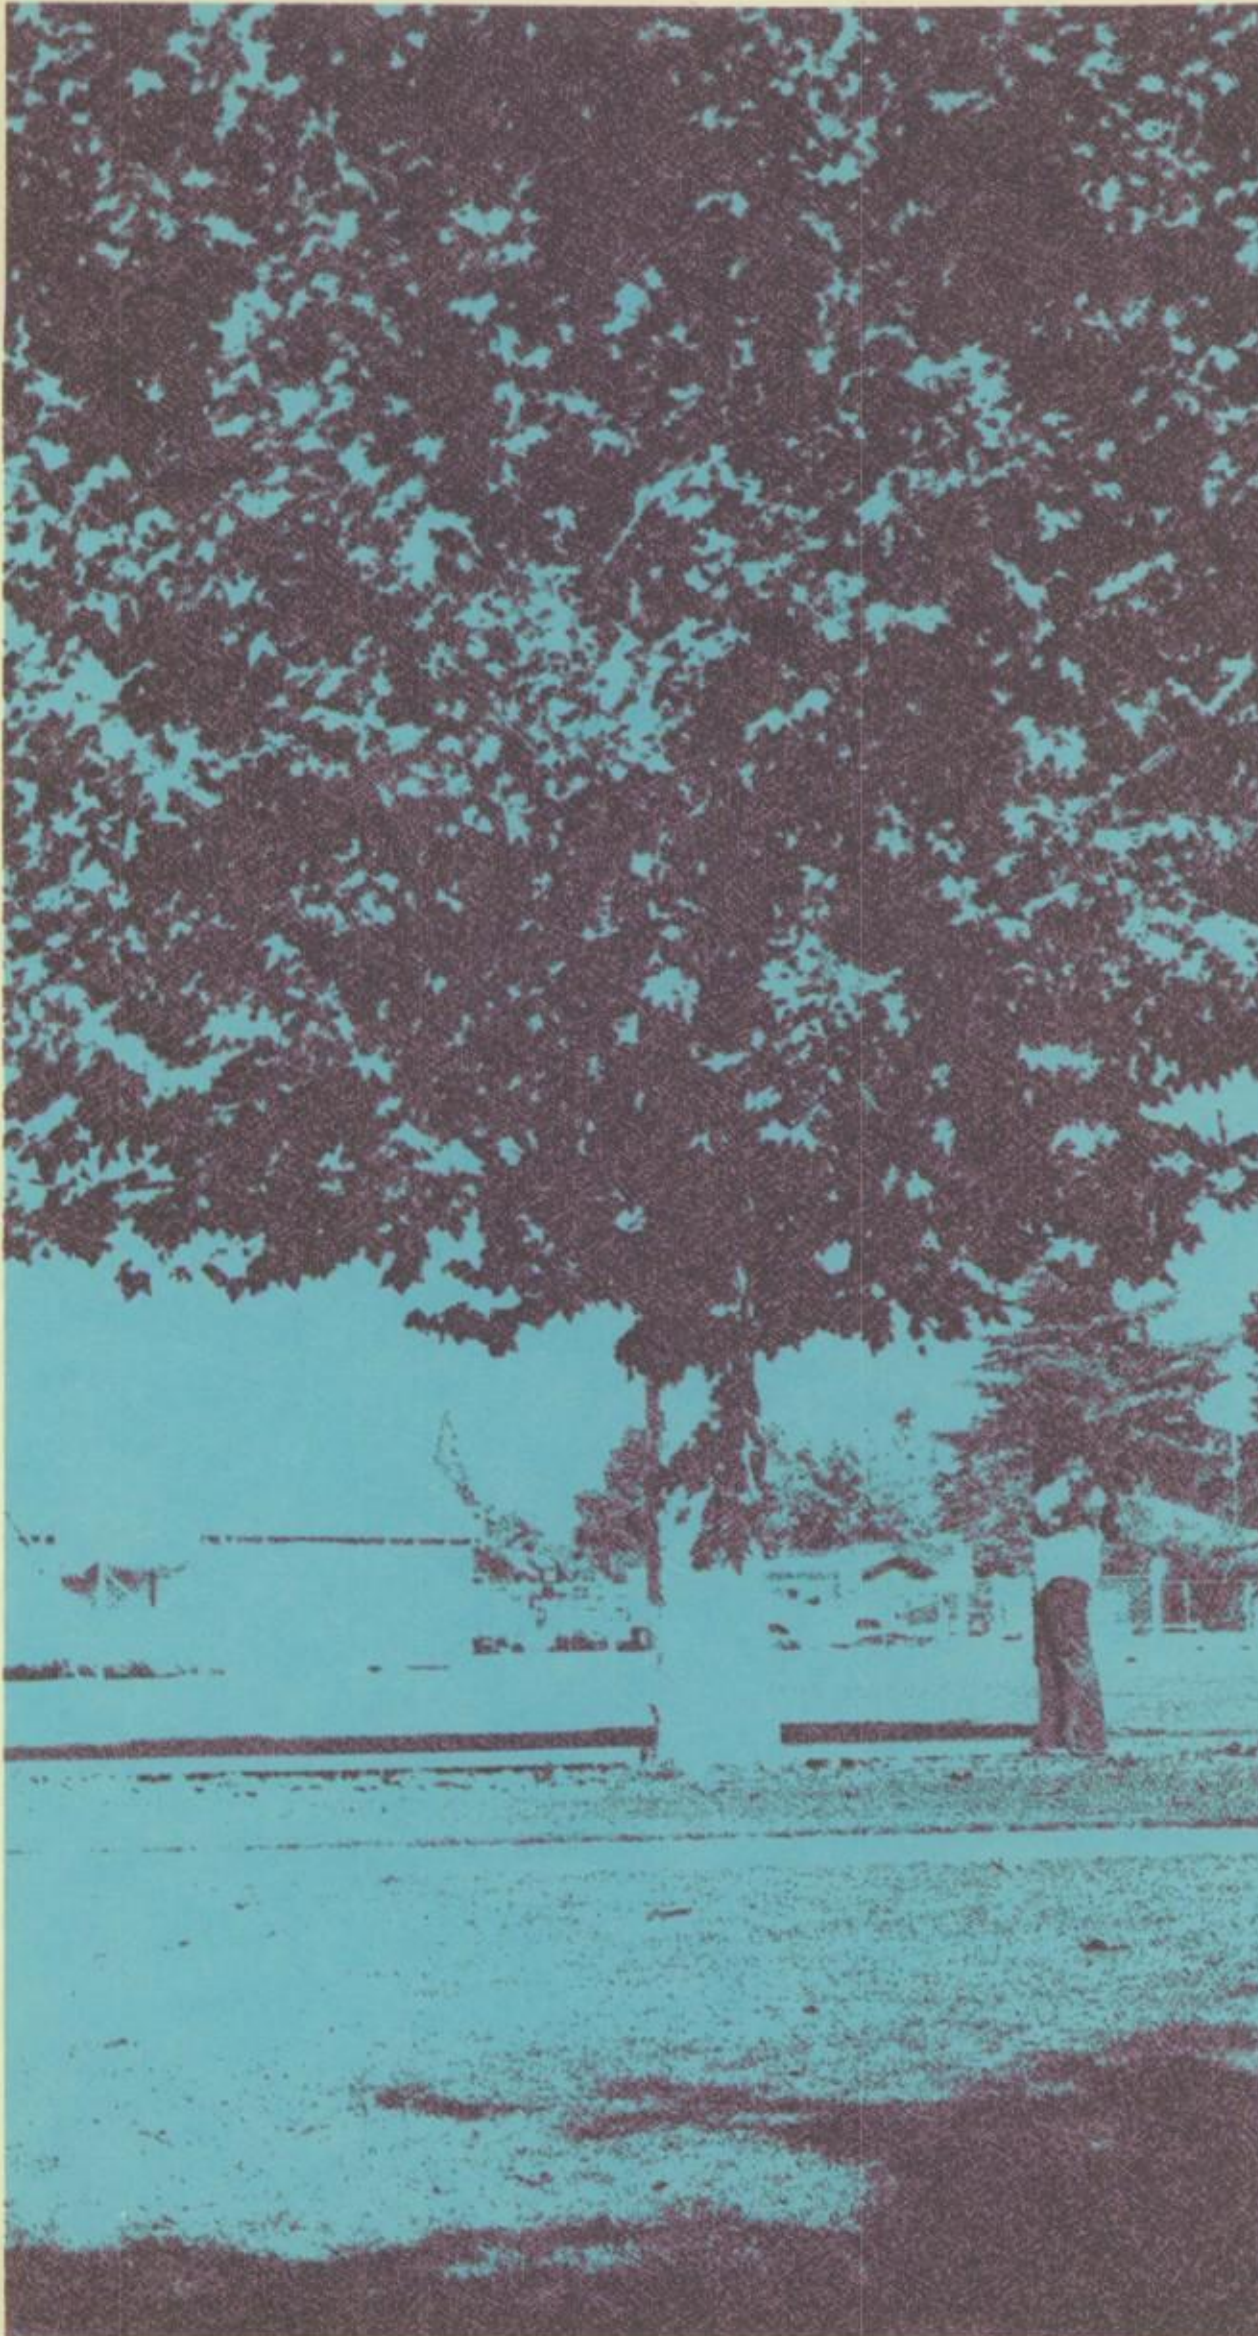

Reason to Believe

From the end of the earth
will I cry unto thee, when
my heart is overwhelmed:
lead me to the rock that is
higher than I.

If only for a moment, we
need a REASON TO BELIEVE.
And belief lies in the
realm of yesterday.

Reason to Believe

If I listened long enough to you
I'd find a way to believe that it's all true
Knowing that you lied straight faced
while I cried

Still I'd look to find a reason to believe
Someone like you makes it hard
to live without somebody else
Someone like you makes it easy to give
never think about myself

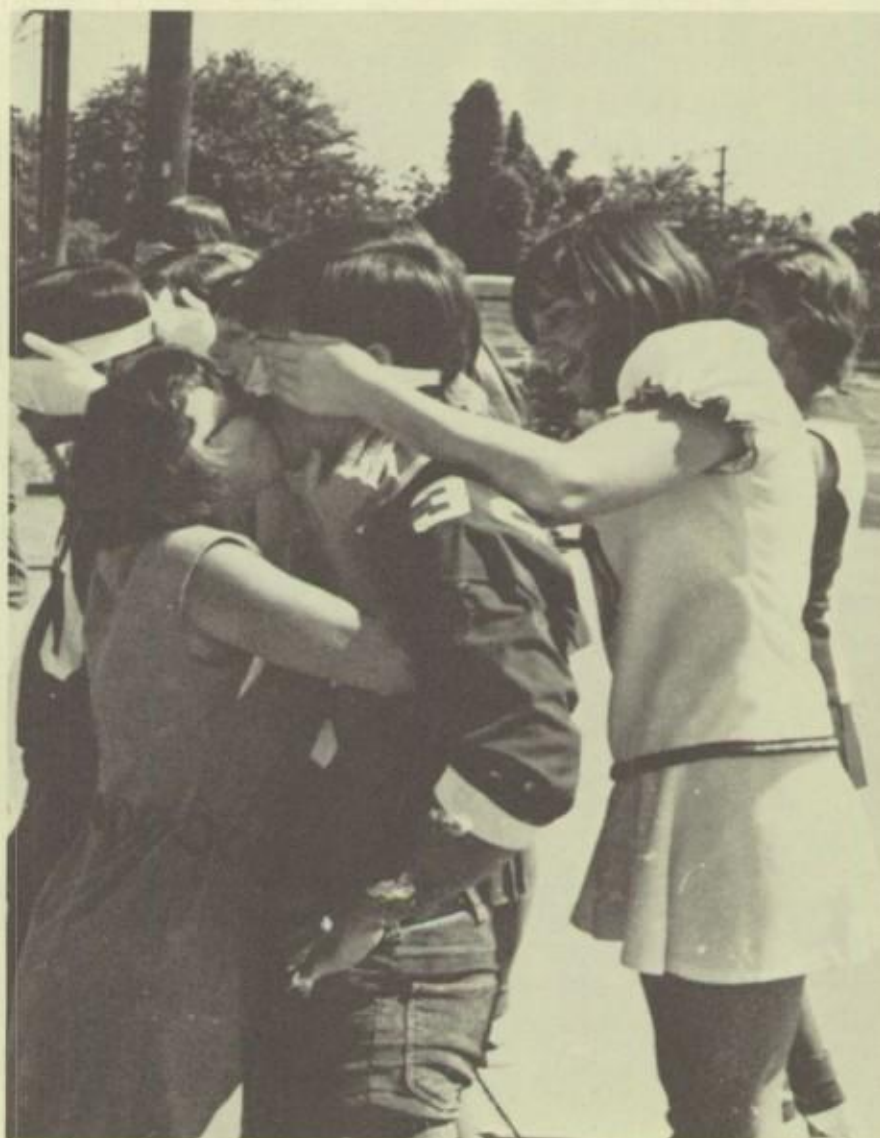

If I gave you time to change my mind
I'd find a way just leave the past behind
Knowing that you lied straight faced
while I cried

Still I'd look to find a reason to believe
If I listened long enough to you
I'd find a way to believe that it's all true
Knowing that you lied straight faced
while I cried

Still I'd look to find a reason to believe

Rod Stewart

Mrs. French

This 1974 Delphic Echoes is dedicated to Mrs. Charline French—friend, advisor, and teacher. Through her five years of teaching here, she has brought about many successful events—Christmas Formals, Girl's League Teas and after game dances.

She kept humor in and around school just by being herself.

You Mrs. French have become our reason to believe.

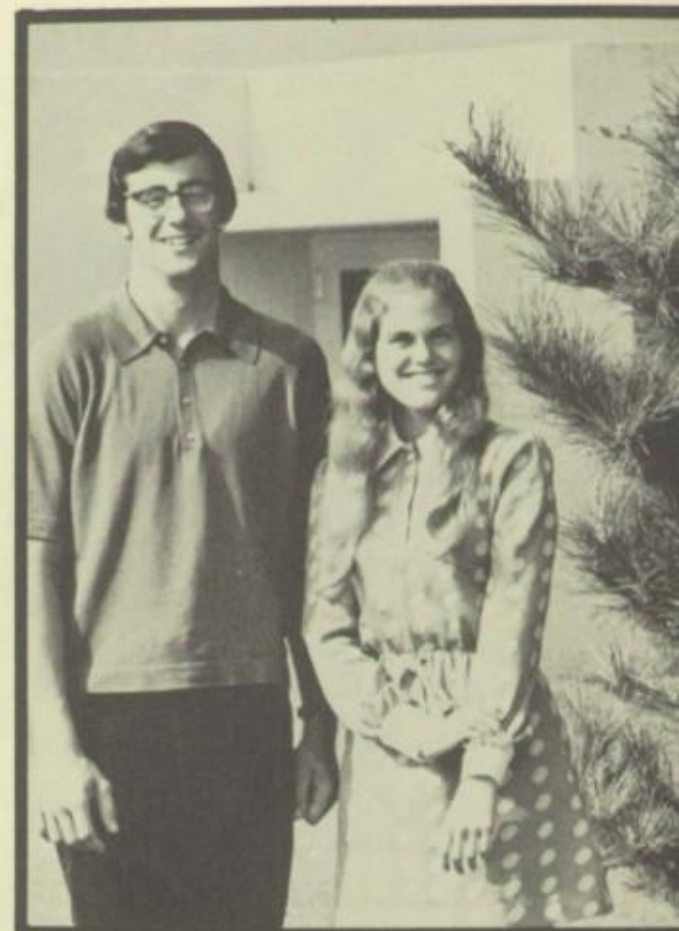

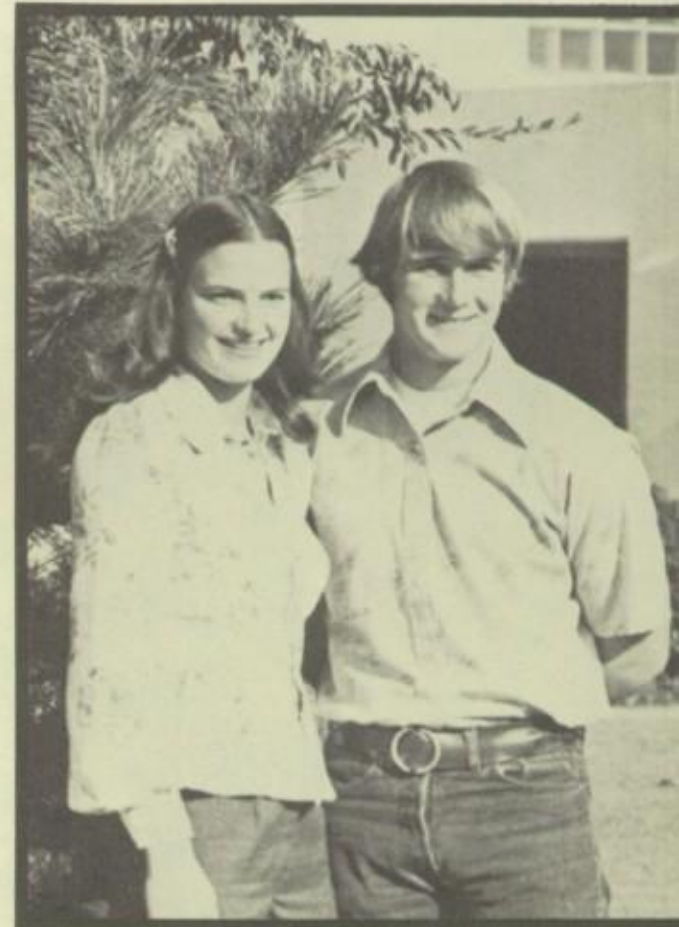

A reason to believe that I will enjoy
what is really beautiful, to love and
to believe that those I love, love me.

Merveilleux!!

A day January 10, 1956 at 2:45 p.m. I was born. Hi everybody! I am Kiki, Christine Chapot if you prefer. I am an A.F.S. student from France. My home is Montataire, 30 miles north of Paris. My father, Pierre, works in a book machinery business and my mother, Pierrette, is not only a housewife but a wonderful "Mom". I have 3 sisters. Patricia, who is 23 years old is an English teacher. She is married to Alain, they also have a cute daughter, Aurore. Sylvie is 16 years old and she is a Junior. Francine-Pascale is 13 and is a Freshman.

Montataire is a little bit bigger than Dinuba, 17000 people. Before I came here, I always wanted to come to California. It was my best state. I was so happy when I knew I come here, but don't get mad...I didn't know Dinuba!!!...Now, I don't know what to say about my new home. I really like Dinuba which is a pretty and very friendly town. I enjoy the football games, the dances, and this is the first time I like school. I want just to say "Thank You" to all the people of Dinuba, and especially to the Buratoviches, my new family and to the A.F.S. club. This year is for me a wonderful experience that you cannot imagine and that I could not imagine before to be here. I learn so much about customs, life and people. Another time "Thank You". I hope to come back pretty soon. Why? Just because nobody can forget U.S.A..., nobody can forget California, nobody can forget my DINUBA!

As we walk down the long empty halls,

The only sound to be heard is the

Echoing footsteps and the slamming

of the empty lockers.

We look back at our days gone-by

When we were underclassmen

And at the fond farewell to our

Seniors who have helped us

along the way.

Now we're the ones everyone looks

Up to...we're the ones who have

To give the reasons to believe

Just as all the other Seniors

gave to us.

There's a mellower light just over the hill,
And somewhere a yellower daffodil,
And honey somewhere that's sweeter still.

And some were meant to stay like a stone,
Knowing things they have always known,
Sinking down deeper into their own.

But some must follow the wind and me,
Who like to be starting and like to be free,
Never so glad as we're going to be!

EMPS IN ACTION

What is a winner? Let's say "To each his own." This year to use the word "winning" as associated with our football team is describing more than just "winning", in a sense of defeating the other team. Physical strength, pride, hope, and trying . . . really putting it out to achieve only that one goal. To win! Then to reach the point of winning. Not only a few players . . . "The team", Using group effort, Achieving the goal "together." Match the feeling. Whatever is your bag. Maybe winning on your own. The world is soon ours. This years football team was one good example that might effect our futures . . . To achieve; to live; to fulfill. Be a winner. Win even as you face a loss; simply by facing it and picking up your pieces to try again! Achieve; win; live

"Both the Boys and the Girls Tennis Teams were undefeated during the 1972-73 season, and both were assumed League Champions."

The 1973-74 teams, composed primarily of the same players, and with individual champions in nearly every event, will undoubtedly be the best two teams in the school's history."

The Mixed Chorus (MIDDLE) was a class designed for students who enjoyed singing. This gave them an opportunity to express themselves which they were unable to do in other classes. Both the Mixed Chorus and Vocal Ensemble were assisted by a few selected soloists (BOTTOM).

DRAMA

Tiger House

Welcome to our home "Mystery Manor". The mystery is the strange coincidences behind Aunt Sylvia's death, and WHO really did it.

That's the call that went out on January 4th and 5th, when DUHS Drama Club presented the Three act play "TIGER HOUSE". One of the best plays of it's kind? Very possibly but definitely one, if not the best, ever presented at DUHS. Director Dennis Adkins should be well praised for his fine directing talent. The production went

well, and kept the audience laughing, yet mystified. All in all, the "who-done-it" mystery offered a night well spent, and was most definitely termed a success.

In Memory of Jimmy Stormont
Greg LaFond

We must learn to understand
the immediate presence of a
moment in time,
And realize that the past
is behind us,
It can never be changed.

And since the future is
but Here and Now becoming
realized, as moments in time
scurry along a scheme of
eternity,
We too must also become eternal
in our devotion to thought
and action which bring Peace and
Understanding to our world
and Self.

Then whatever happens into the
reality of today, has to be the
most good and right thing so
that our thoughts and actions might
be justified:

So that the transitory nature of
our being might gain a place
in the Timelessness of Eternity.

By Dennis Adkins

Thanks Coach.....

This is the way the world ends,
This is the way the world ends,
This is the way the world ends,
Not with a bang but a whimper.
